Statement of Purpose

We are a small group of independent business owners who are endeavoring to reach out to the communities that were directly affected by the wild fires. After the operating expenses have been met for the “ROC” Reunited Overture Concert, a small percentage of the proceeds will go to H.M. Artist Foundation to aid in their pursuit to assist the artistic to discover and Express the Genius! The remaining bulk of the proceeds collected will be donated to The San Diego Foundation’s “After The Fires Fund”. We are devoted to our purpose and are focused on keeping the operating expenses to a minimum without reducing the quality of entertainment to be presented. Without your support our efforts will not be possible.

The Regional Disaster Fund has begun to create and/or re-establish Community Recovery Teams. The CRTs have an overarching view of community recovery and rebuilding activities as well as serving as a conduit for needs identification. To assist with individual, household and family recovery, the Regional Disaster Fund will work with case management partners to conduct extended outreach over the next several months, and possibly years, to make sure needs are continually identified, communicated and addressed. They will harness the power of their donors by matching the identified community needs with grant funds and/or partner agency resources, while tracking measurable, successful outcomes for the communities of San Diego County.

We recognize the importance of action in the present time to lend a helping hand to those affected by the wild fires. Your contribution will be recognized and felt by all every single day for years to come as we witness the devastated communities replanting the land, rebuilding the homes and restoring the unity of families and individuals alike.

Upon receipt of your donation you will receive, by mail, documentation of your contribution for tax purposes along with the package of your contribution category.

Arrangements can be made for band sponsorship and other means of compensation for your contribution. Please contact Daniel Hendrix at the phone number below or Randy Seol at 619 972 7263 for more information.
